

# *Eating Disorders*

## **SUPPORT GROUP**

The Eating Disorders Program at Brandywine Hospital wants to provide support and encouragement to those with eating disorders along with their families and friends. **We offer a safe and encouraging environment for males and females age 13 and up.**

---

**The EDSG is led by trained facilitators and all information shared is confidential.**

**Every other THURSDAY**

*(call 610.383.4950 for upcoming dates)*

**6:30 pm – 7:30 pm**

**Location:**

Group will meet in  
1 West Conference Room (1<sup>st</sup> floor)  
Brandywine Hospital

FREE • Registration is NOT required.

### **Who Should Attend?**

- Individuals presently in recovery
- Individuals currently suffering from an eating disorder
- Family members & friends of those who are struggling with an eating disorder

Our meetings offer an interactive, safe forum for friends and family to discuss “real life” situations they are currently facing. Negative body image, self-esteem and self compassion are also addressed. Our support group brings attendees together in a recovery focused environment. Participants are able to ask questions, share hope, and discover that recovery is possible.
